

IT'S ALLERGY SEASON...

Don't let your indoor air quality be part of the problem!

TOP 5 SIGNS YOUR AIR CONDITIONER NEEDS A TUNE-UP:

1. *Some rooms in your home are too hot or too cold.*
2. *Your home has excessive dust.*
3. *Your air conditioner is noisy.*
4. *Your air conditioner runs constantly.*
5. *You notice unpleasant odors when your AC is on.*

Regular scheduled maintenance improves air quality, increases efficiency and prolongs the life of your heating and cooling equipment.

CALL NOW TO SCHEDULE YOUR TUNE-UP FOR \$89!*

(504) 888-6702

*NEW CLIENTS ONLY. Offer good through August 31, 2015
